

Spring Park Market

Spring Park Market will be held every Thursday evening from 4 - 7:00 p.m. beginning June 7th and ending September 27th, 2007.

This Market is designed to be an upscale farmer's market designed as an outlet for specialty growers and producers.

The Market Board encourages all growers and producers to make application.

Each grower and vendor will be provided with one white 10 x 10 market tent and one table.

There will be live music each week and a guest chef will give cooking demonstrations using the fresh produce available that day.

One Civic or community service organization will be provided a tent each week so that they might provide the public with information about their organization.

There will be chairs provided for the public to enjoy the market atmosphere.

There will be a very limited amount of duplication with specialty items.

The train will run during this time.

The trolley will run from downtown Tuscumbia during this time.
